

Introducing... Mrs. Matchett

Why are you working at Days Creek?

As Days Creek alumni, almost all of my fondest memories are of my time as a student here. I could not pass up the opportunity to give back to the community that helped raise me.

Where did you go to college? What was your major?

Why did you choose that major?

I attended Umpqua Community College and studied early childhood education. I have always had a passion for education. I truly believe my success in life is due to the great teachers I had throughout the years.

What is your greatest advice to Students? Parents?

I've found that most things in life do not go according to plan. You can not see it as failure every time something doesn't work out the way you think it will, learn from it and grow. Learn to adapt to each situation life throws at you.

What is your hidden talent?

I can pogo stick without breaking anything.
